

ABOUT OUR PROGRAM

Our 60 min STEM-LEGO® classes explore science, architecture, engineering and technology concepts using LEGO® Bricks. Students participate in weekly sessions focused on exciting themes such as Space, Inventions, Famous Buildings, Physics, Natural Disasters and much more.

Classes follow the Bricks 4 Kidz® motto: We Learn, We Build, We Play with... LEGO® Bricks.

- **We Learn**– Teachers provide a 5-10 minute themed lesson
- **We Build**– Students build the model of the day with simple step by step instructions
- **We Play**– Students explore their own creativity through free play time
